## ABOUT THE EDGE

- The Edge was founded in 2008 to bring a full range of educational services under one roof to better serve the needs of students, families, schools, and companies.
- We believe that proper education shouldn't teach us what to think, but how to think.
- We're committed to constantly improving our services and to ensuring the satisfaction of the communities we serve.

## WHY CHOOSE THE EDGE?

**Outstanding Teachers:** Many teachers come from top academic institutions around the world and undergo a rigorous 3-month training program to ensure quality in the classroom.

**PSAT VS SAT: HOW ARE THEY DIFFERENT?**

The PSAT (Preliminary SAT) and the SAT are very similar, as both tests evaluate the math, reading, and writing abilities of students. However, there are some important distinctions that you should be aware of as you get ready for each exam. During the webinar, our tutor went over the main contrasts between the PSAT and SAT and provided valuable study advice.

## STEPS TO ACHIEVE TOP ACT & SAT SCORES

Many top US universities require applicants to submit either ACT or SAT scores for evaluation. It can be confusing to understand the differences between the two tests and to determine which one is best suited for your strengths. Additionally, preparing for these exams can be challenging. To help with these concerns, our tutor led a webinar that provided guidance on deciding between ACT and SAT and shared techniques to achieve high scores on both tests.
